Prime Spot Display

The Prime Spot display at the Manila International Book Fair is a highlight that draws significant attention from attendees. This dedicated area showcases a curated selection of bestsellers, new releases, and notable titles from various genres, making it an essential stop for book lovers.

The Manila International Book Fair is packed with avid book readers, prominent authors, and influential figures from the literary world.

Handing out flyers and bookmarks for our authors. Sharing quick summaries of their amazing books and sparking curiosity with every interaction.

We were thrilled to be out there, happily promoting our authors' books, sharing their stories with everyone we met. It was a joy to watch people's faces light up as we introduced them to new titles, offering them a glimpse into the creativity and passion behind each work.

HAPPILY PROMOTING OUR AUTHORS' BOOKS!

GRATEFUL TO HAVE BEEN A PART OF THEIR JOURNEY AT MIBF

It was a wonderful opportunity to celebrate their hard work and creativity
